Bulletin about medical attendance to members

SRI K. BHASKAR NAIDU (Bellary).—Mr. Speaker, Sir, yesterday I have received a bulletin in which it is stated as follows :

> "The doctors have also been instructed that they should not supply medicines to the guests of members. The Hon'ble members are requested kindly to get themselves personally examined by the Doctors on special duty before they receive medicines from the Dispensaries"

Does it mean that if I only get examined I will get medicine and if I don't get examined and if I go to a specialist, I don't get any medicine ? Is that the meaning ? What was the Idea of the whole bulletin ?

MR. SPEAKER.—The hon. Member is requested to discuss the matter with me in my chamber after 3 p.m. today.
